RE: 34th Annual College Showcase & ID Program

On behalf of TSS Showcase & Educational Foundation, the student-athlete in possession of this letter is participating in the annual college identification program hosted at The University of Texas with access to campus visit at UTD, Southern Methodist University, Dallas College, and other nearby schools.

The Showcase gives aspiring college bound students participating the opportunity to visit area colleges and communicate their academic and athletic goals to college officials and athletic staff. We realize the importance of a student-athletes education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event.

We hope you will grant the request for early dismissal and/ or an excused day of school to participate in the 2024 College Showcase & ID Program which begins Friday – December 6th and concludes Sunday – December 8th. The Showcase and College ID Program, one of the top recruiting events attracting hundreds of university officials from across the United States.

Student-Athletes participating can expand their college options and gives them access to top Division I, II, III, NAIA, USCAA, NCCAA, NJCAA and CCCAA schools attending seeking academically qualified students for their program.

The importance of education is essential to success and when balanced with a sport these students become well-rounded while representing your school and the community, they call home.
